Thank you for choosing Cypress Lawn.

This General Price List describes a wide variety of services we can provide for you. You may select services from an itemized listing, or may prefer the convenience and cost savings of our packaged service options.

Losing someone you love is one of life's most difficult experiences. A personalized, meaningful funeral service is an experience of great value to the family and friends. It helps us as we come to terms with loss; it can provide comfort from the strength of our religious beliefs or cultural traditions and the support of family and friends, and it provides a family and a community a special way of saying "this person mattered."

We believe we best serve you by listening carefully to your needs and wishes, and providing a wide range of options, ideas, and suggestions from which you can make choices that are just right for you.

Through the years, we have helped thousands of families create a "farewell" that is meaningful and memorable—taking the first steps on the pathway to healing from loss.

Whether you are making arrangements now or are thoughtfully planning for the future, you will find our staff to be kind, knowledgeable and compassionate, and ready to make this time just a little easier for you.

Some Helpful Information

What Should I Do First? If death occurs at a hospital or nursing facility, the staff there will be familiar with the necessary procedures. You may ask them to notify Cypress Lawn, and we will make arrangements to bring the deceased person into our care. A hospital will require authorization from the next of kin before releasing to us. If your loved one passes away at home, you must contact a nurse (such as a hospice nurse) or other medical authority to pronounce death before the deceased is transferred to the funeral home. In either event, we can be notified at 650-550-8808 at any hour of the day or night. We will need to know the name of the deceased, the location, the name of the family member in charge of arrangements, and the name of the doctor who will be signing the death certificate.

About the Death Certificate...our staff will prepare the death certificate and secure the certification from the physician or coroner. We file the original death certificate with the health department in the county where the death occurred. We will ask how many certified copies you'd like us to order for you – copies will be needed for insurance, bank & brokerage accounts, property such as real estate and automobiles, etc. Additional copies are always available later.

Scheduling Services... you may reserve time for the visitation and funeral services during the arrangement conference, or by calling the funeral home office. Please do consult with the funeral home office before setting a day and time for the funeral.

Obituaries and Online Tributes... your counselor will discuss this with you. We'll help write obituaries, review them with you, and place them in the newspapers of your choice. In addition, we will be pleased to post your loved one's obituary (including photograph) to our Online Tribute Center at www.cypresslawn.com. This will allow your family and friends throughout the world to view the obituary and service details, as well as leave a meaningful message for the family.

Social Security...as a courtesy to you, Cypress Lawn will notify Social Security. In general, a surviving spouse is entitled to a lump-sum death benefit of \$255, and other dependent family members may be eligible for certain benefits. Call the Social Security Office at 1-800-772-1213 for further information.

Veteran's Benefits...honorably discharged Veterans are eligible for certain burial benefits, including a flag to drape the casket and military funeral honors. Cypress Lawn will be pleased to secure the burial flag and arrange military honors if we are provided a copy of the Veteran's DD214 Discharge Record. Further benefits, such as partial reimbursement for some funeral expenses, are available in certain situations, such as when death is due to a service-related injury or in a Veterans hospital or other VA facility.

Children and the Funeral...children are certainly welcome to attend funerals at Cypress Lawn. Most experts agree that a child should be given the choice to participate in the funeral experience, and that when carefully and gently explained, most young people have less anxiety about death than adults might suppose. You may wish to encourage children to draw a picture or write a note to be placed in the casket to allow them to express sentiments on their own level. Feel free to ask our staff for assistance or guidance. We do ask that an adult guardian look after children at all times, however, and to be careful they don't disturb other families we may be serving.

Personal Touches for the Service...we believe that our home becomes your home for the funeral of your loved one. Personal touches bring comfort to everyone and help us recall special memories and significant moments. Photos and memorabilia may be displayed (we will provide tables and easels); special music is welcomed (CD's or our keyboard) and our chapel is equipped with a state-of-the-art video projection system for your convenience. Many of our caskets and cremation urns offer customization options. We also offer a range of special personalized merchandise, such as prayer cards/memorial folders, Memorial Reflections® Portraits and our custom photo DVD programs.

Funeral Flowers from our own on-site florist are a beautiful, time-honored tribute. The Colma Flower Shop at Cypress Lawn provides fresh, generously proportioned, perfectly crafted designs.

Our Payment Options In order to serve all families fairly, payment for the services you select will be due at the time of arrangements or a minimum of 24 hours prior to the service. Our payment options include cash, check, credit card, a pre-paid trust or insurance contract, or assignment of a verified insurance policy. We cannot accept an insurance policy that cannot be verified, or that is in a "contestable" period (usually if it is less than 2 years old.) **If we accept an insurance assignment, we charge a fee of \$495.**

Cremation Services

Because we own and operate our own crematory on Cypress Lawn premises, your loved one never leaves our care, and our ten-step "Cremation with Confidence" Guarantee assures you of the highest professional standards.

TRADITIONAL SERVICES FOLLOWED BY CREMATION

Any traditional service, including visitations, viewings, or other gatherings, may be followed by cremation. For our traditional "Legacy" and "Tribute" Packages, see page 5.

CREMATION WITH A MEMORIAL SERVICE

There is no viewing or visitation, and the body is not present.

"Select" Cremation Tribute.....Monday-Friday \$3590.....(Saturday-Sunday \$4190)

This package includes all of the services described in "Direct Cremation" (see below) plus our facilities, staff, and equipment for a memorial service or gathering. This package does not include merchandise such as a casket or cremation container, urn, flowers, or other items not specified.

DIRECT CREMATION

Cremation only. There is no visitation, funeral, or memorial service.

Direct Cremation from \$2895

Our charge for "Direct Cremation" includes initial transportation of the deceased from the (local) place of death to the funeral home; basic services of staff; refrigeration for up to 3 days; utility vehicle; private family identification if desired; and the crematory fee at Cypress Lawn Crematory (\$395, M-F). If the crematory fee has been prepaid, we will credit you this amount. If you want to arrange a direct cremation, you may use an "alternative container" (instead of a casket). Alternative containers encase the body and can be made of materials with fiberboard or composition board (with or without outside covering.) The containers we provide are made of presswood.

Direct Cremation with container provided by customer \$2895
Direct Cremation with Minimum Container ("Standard" Presswood Container, \$295) \$3190
Direct Cremation with casket of your choice from our funeral home \$2895 plus cost of casket
Witness Cremation, additional charge \$300

Additional Charges apply for Cremations performed by request on Saturdays or Sundays.

Because we believe a final "farewell" is an important step in the healing process, we provide a short time for identification and family farewell without additional charge. This is not a traditional viewing or visitation. It is a brief (20 minute) scheduled time for immediate family (no more than 6) to view the body in one of our visitation rooms. This is not a funeral service. We ask that this be scheduled within 3 days of your loved one being brought into our care. If we are asked to schedule this time beyond these three days, a daily charge of \$95 will apply for refrigeration and care. If more than six persons attend this private time, and/or if the time exceeds 20 minutes, we reserve the right to impose an additional charge of \$695 for visitation. If you wish us to dress the body in clothing you provide, please add the charge for "Other Preparation of Remains", \$400.00. Otherwise we will present your loved one as dressed (if appropriate) or we will provide a simple gown.

Other Considerations When Arranging Cremation:

RECEPTION CENTER

An elegant place to host family and friends for refreshments and remembering. Whether simple appetizer refreshments or a full meal, our catering options make it easy to arrange the perfect gathering for family and friends.

URNS AND KEEPSAKES

We offer a large variety of urns in all styles and price ranges. Many can be personalized. We also offer a range of keepsake size urns and memorial jewelry, for those who want to keep a small portion of ashes, or perhaps flower petals or even soil from the burial site.
